February MBAC meeting minutes approved

Agenda and Notes

Topic	Facilitated by
Pedestrian Crash Fatality Update – a) CPD fatality statistics not yet available for May 2018. No bicyclist fatalities are known to CDOT as of this meeting. b) Last fatality back in February occurred in a Vision Zero high crash area and the driver was charged with felony	Chair Scheinfeld
Vision Zero Update - a) Eric is leaving the team and a new senior and junior planner to come on board soon. b) Vision Zero West Side will host events in late summer. c) The city has secured partial funds for South Side and is currently pursuing funding for Northwest Side. d) Alderman Railey will be chair of Downtown Task Force	Co-chair Hamilton
Divvy Outreach Team – a) Divvy for Everyone partnering with LISC to do mobile and on-site registration. b) Also partnering with community orgs to promote D4E- collaborating with West Town Bikes and Blue Cross Blue Shield on an education program. c) Launched new Divvy app.	Johntuanay Johnson
Dockless Bikeshare Pilot Update – a) Pilot launched on May 1 till November. b) Vendors are in charge of distributing educational material in the pilot area. c) Meetings to review data with stakeholders will be scheduled in the upcoming months. d) Some vendors will face-in more bikes into the pilot program e) Refer to the June MBAC presentation in the chicago.completestreets.org website for more information on this update.	Ranjani Prabhakar
Bike Project Updates – a) A total of 17.2 miles of bike lanes installed in 2017. b) In 2018, the bike team has scored a lot of Federal funded projects. c) At the Major Taylor Trail is addressing and improving connections on 103th. d) In the Downtown area, Clinton has a new protected bike lane, improving connections to Loop and upgrading existing protected bike lanes	Brad Huff - CDOT

Mayor's Bicycle Advisory Council Meeting Minutes

Agenda and Notes - continue	
Topic	Facilitated by
Bicyclist Ticketing Follow Up - a) CPD uses enforcement as a tool for safety. b) CPD data analysis found a high concentration of bicyclist ticketing in Districts 4, 10, 11, 25. c) Mr. Brooks had a conversation with Commanders from those Districts and found that there are a disproportionate level of violent incidents in those Districts. d) Vehicle enforcement is considered an overall violence reduction strategy and bikes are considered vehicles. e) The final data analysis is not yet available and will be available only by request. f) About 10% of bicyclist ticketing result in an arrest.	Glen Brooks Jr.
Bike Lane Uprising - a) It is a member base initiative. b) One of its outcomes has been looking at how much unrealized revenue slide. c) A heat map with data on submissions can be found in their website. d) Among the repeat offenders there are multiple City vehicles. e) Its main goal is to build relationships and partnerships. k) Call to action: become a volunteer!	Christina Whitehouse
Community Representatives Comments - Joe: Request for better City coordination with construction sites Debbie: How is the City handling the increase of scooters? There are multiple in Chinatown now. – Response – The City does not have a program this year and an ordinance has not been drafted. Jacob: Thank you for the new designed infrastructure in the North Side.	Community Reps
Actions	Lead
CDP would like to develop better strategies to address the high concentration of bicyclist tickets in the four Districts listed above.	CDP
Public Comment	
Jean Smiling Coyote- Read a letter requesting CDOT to address the high number of bicylists riding on the sidewalks in the north Side.	
CDP – Helmets should be more accessible for unexpereince riders, specially on Divvy Bikes	
ATA – Reminder about Chicago Bike Week. Bike Rally will take place on June 21 in Daley Plaza. Reminder about the Boulevard Lake Front Ride	
West Town Bikes – Reminder about Tour de Fat June 30 th back in Humboldt Park	
Divvy Rep – New Divvy app is up and running. Divvy is turning 5 years old and will be hosting 5 community rides and other events.	
Adjournment at 5:00
